

October on AIM

Chisinău, Moldova

Wow! Month three in the beautiful country of Moldova has come and gone.

October was another very busy month! I continued watching the MKs a few days a week as Brother and Sister McBride had language classes. I was also able to make some activities for them and redid one of their sensory bins.

Outside of Child care, we continued with the English club we had started last month and continued to have a few people from that club join us for bible study on Sunday mornings!

October on AIM

Chisinau, Moldova

Half way through October we had the opportunity to go as a team to visit the city of Balti. While there we did a prayer walk in the center of the city then stopped through the city of Orhei on the way back to Chisinau. In

Orhei we ate lunch in a cave and visited a famous Orthodox Church.

This month I had the opportunity to speak at the America House in Chisinau. This was one of my favorite things I got to do during my time in Moldova! I got to speak in front of about 30 high school aged students. During this time I spoke about the state of Ohio, my experience as a University student and my experience working at the number one Children's Hospital in the US.

Overall, October was my favorite month but unfortunately my last month in Moldova. It was filled with a lot of sad goodbyes as I said bye to the McBrides and the best MKs. Since my term was supposed to be four months but I could not stay in Moldova that long due to the Visa process, I was able to go to Romania for the month of November. I made this trip the last day of October and am looking forward to learning more in Romania.
