

AIM IN GUATEMALA

We are all having a lot of fun in our weekly Bible studies. The kids love competing in Bible drills and have good insight into the meaning of the scriptures and how to apply them to their lives.

We had a wonderful home service in which the children participated! One opened with a scripture, another led worship and also gave a commentary on forgiveness based on the story of Joseph, and another closed in prayer.

Working on materials for the children's camp with the theme "Searching for Treasure". 18 children received the Holy Ghost at the camp!!!

What a blessing to be able to attend this Regional Conference and to pray for people seeking the Holy Ghost! Several were baptized afterwards and many were filled! So blessed to witness what the Lord is doing in Guatemala!
