September 2024

Seasons Change

September brings about the seasonal change from summer to autumn. The leaves change colors, the air gets crisper, the sun goes to sleep a little bit earlier every day.

Just like the seasons change in the natural, there has also been a change of seasons in the spiritual realm. With September now finished, we have seen all of our students return to Jelgava for their studies. There have also been new students that have begun attending our services and game nights. It's growing so much that very soon we will be begin having multiple services in Jelgava. We are very excited for the upcoming changes. We are embracing change here in Latvia and will move forward in VICTORY!

Towards the end of September there was a local festival that celebrates the beginning of the fall harvest. There were several food and craft vendors, as well as folk dancers. It was exciting to watch them dance with precision and joy. They take such pride in their nation and their folk traditions. Imagine how much more joy they can experience by knowing the Love of God. Please help us to pray that their eyes are opened to the truth.

Prayer Requests:

There is power in the unity of people in prayer. Please help in praying for these needs:

- **Unity** of the Nation
- **Revelation** of truth In the people of Latvia
- **Discipleship** of people to be grounded in the word of God
- As the colder months approach, there will be an increase of depression in the area. **Please pray for the nations of the Baltics.**

The last week of September, one of the former university students from Malta came back to Jelgava to visit. She missed the people that had become friends while she was studying here. During her visit, she was filled with the gift of the Holy Spirit! After we gave her a quick Bible study, she made the decision to be baptized in the Baltic Sea. The water was cold but it did not stop the joy and the flow of the Spirit. We also got several of the people that she knows together for a dinner before she returned to her home. There was such love and joy that filled the room.
