Where is your mission field? For our students - it's their schools. Crossroads Athens is filled with young people who are eager to share the Gospel! We covered them in prayer and gave them a challenge to be Apostolic through miracles signs and wonders in the field that God has placed them in!

This is the gospel- the good news! And we must tell everyone about it! We love giving Bible studies to the African group here in Athens, and have recently started a Bible study with a Sri Lankan group.

At the mention of the Name of Jesus - the impossible becomes possible! A woman came to the altar with pain in her body, we gathered and prayed as she believed. In Jesus name the pain immediately left her body!
