

SEPTEMBER NEWSLETTER

This month went by quickly due to a myriad of things.

The beginning of the month I got to spend some time with my parents while they were on island.

Unfortunately the weather was not great as we had rain nearly every day, and even had warning of potential typhoons.

Between the threat of typhoons at the end of their time, my delayed Visa approval at the beginning of their time, and all of the rain, it was pretty difficult to find things to do. But we at least got to have a few days of sights and fellowship with church members.

My mom was struggling with dizziness at the beginning of the trip as well, and we're very thankful that Sis. Hosmer's daughter Christina was able to help my mom get things taken care of at the doctors office while in Japan.

I also started teaching Bible studies to Aran, the new youth member that has been attending. We've been fellowshipping with him a lot since he works about 15 minutes from church walking distance.

We had a great youth service this month while my parents were still here. It seemed at first that it could get canceled due to the typhoon warnings, but luckily the typhoon altered its course and we were able to have our services as normal. Jeremey, an AIMer from the previous AYC trip, and Yuuki, one of our youth, both spoke during the service and both did a great job. God's presence was definitely amongst us and we had a great altar call. Bro. Shawn helped MC and was also vital in helping and allowing the spirit to flow. Continue praying for our youth!

Impactful youth service.
