

news from **RWANDA**

— October 2024 —

On my final Sunday in Rwanda, our local team led the children's service without assistance. The students were engaged, learning and laughing!

We are grateful for our leaders' faithfulness and hope to offer Sunday school classes for more age groups in 2025.

I've often heard it said, "Some give by going, and some go by giving."

Thank you for making this harvest possible through both your sponsorship and prayers.

God bless and keep you,
Mikelle Eastman
