I'm excited to share that the Sunday School Department in Gisasa has grown stronger each week!

We have been training young adults from the local church to take over the work in November. Last Sunday, they led our Children's Service for the first time!

Next month, we will focus on refining our applications of what we've already learned to yield a plentiful harvest.

We are thankful for God's favor and excited to see the local team take the lead.

"So then neither he who plants is anything, nor he who waters, but God who gives the increase."

1 Corinthians 3:7

God bless you,
