THE GAYLE'S

Associates in Missions

BRAZIL

Love God, Love People, Serve The World

The month of October was really exciting and full of action! We worked our missions booth and participated in the missions parade at General Conference! We were blessed to take our first photo as a family with Brother Hunley. It was nice to see our church family and visit our relatives in California while we were there!

The next week, we returned back to Brazil and started implementing many new programs: mid-week Bible Studies, and activities that we planned before we left.

The above photo is our Community Language Center outreach program that we started in mid-October. We use a curriculum to teach English classes to people in the community who want to learn.

The photo to the right shows our first Vigilia (an all night prayer, preaching, and fellowship gathering) at our church in Brasilia. We prayed over Brazil and bonded as a church. In addition, the photo at the bottom right, shows our first, "Dia da Familia (Family Day)." It's an outreach that we do quarterly to reach new people in our community.

General Conference, Los Angeles

Family Day

MISSIONS UPDATES MISSIONS

Our Community Language Center has attracted many people from the community with different backgrounds. It is one of our most powerful outreach tools! In the picture above to the left, is when we had one of our class sessions next door at the Pizzeria. I accidentally left my keys to the church at home and we adjusted to teach and have dinner together! One of the students said, "It was a tasty lesson." They wanted to have class there every week! The photo at the top right, shows the IPUB National Ladies Conference in São Paulo. My wife participated as a guest speaker on a special panel and was able to minister with a worship song!

Family Day helped build community within our church and inside the community in which our church is located. From the previous day outreach, we had several new guest attend! We were able to bring our jumper from the states to use in Brazil. Our God is awesome! Thank you for your continued prayers and support!

November Calendar

- 3, 10, 17, 24 IPUB Services
- 6, 13, 20, 27 Bible Studies
- 5,7,12, 14, 19, 21 English Classes
