

Pio's in Polynesia

October 2024

We are so grateful for what the Lord is doing! He's been opening new doors and opportunities. We have made many new friends and started Bible studies.

We continue to hold services in our apartment, and many are moved to tears and touched by the presence of the Lord.

On October 16, 2024, history was made again as we baptized Grace in the name of the Lord Jesus!

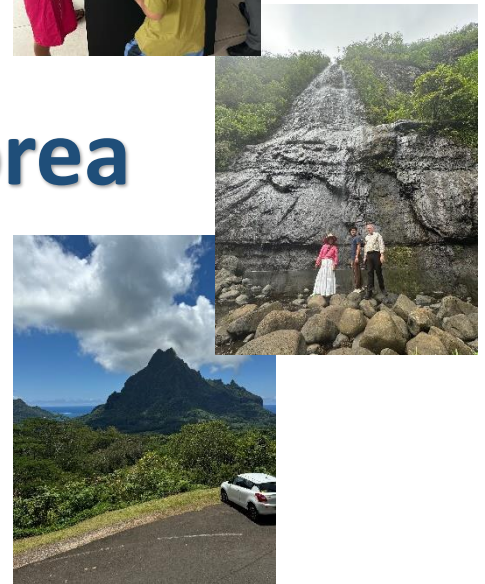

On October 19, we celebrated Sis Pio's birthday! We had over 20 attend her birthday celebration!

We took the opportunity to visit the Island of Moorea, which we can see from our balcony. It is a 45-minute ferry ride and 18,000 people reside there, and tourism is what runs the economy of the island there. We travelled around the whole island which would take 1 ½ hours non-stop. Beautiful scenery and vegetation. We had the opportunity to even hand out a few tracts!

Moorea

As we settle into our daily routines, which usually includes a two hour walk from our apartment to the downtown core, we are always looking for opportunities to interact with the locals. The people here are friendly, and the usually Tahitian greeting is "la ora na".

We have completed two months already, and we are so thankful for the prayers and continued support that we receive from our Partners in Missions. This brand-new work is possible because of the sacrificial support and belief in us to bring the Gospel to this Nation!
