

Pio's in Polynesia

October 2024

This past month has been a month of firsts! We thank the Lord for all the open doors and the blessings that the Lord has done for us.

On Sept 8, we held the very first UPCI service here in Tahiti, French Polynesia! History was made as we gathered in our apartment, worshipping the Lord in Spirit and in truth! We had one new visitor and fellowship afterwards.

Strongholds are being broken because the kingdom of the Lord is going forward. Thank you for being a part of this vision and this work through your prayers and monthly support.

We found out that a Bible School graduate from Vanuatu had arrived a day after we did, because he was going to school here. Bro. Kendry Mosses has been a blessing to us and the work here!

We also made contact with the Filipino community here! We have met so many great folks and continue to develop friendships. Pray for this community.

This is a beautiful island, without a doubt, and we have gone to many mountain tops and looked down upon this city, moved by the burden of reaching them with the Gospel. From our balcony though we can see another island of Moorea, just one of the 118 islands that need to be reached. May the Lord grant us the wisdom in reaching the people here. Thank you once again for all your support, prayers and offerings! Follow us on Facebook for more updates and pictures.
