

October 2024

# JAPAN Sierra's Newsletter

October was a busy month, but full of God's blessings. Japan's Southern Regional Conference (pictures above) was this month. There were wonderful speakers,

Dylan and Horacio Lachica who came. It was a wonderful move of God where multiple healings were reported. There was also a youth event after one of the nights of conference where we got to fellowship and play games (upper left). Canadian Thanksgiving was this month and I am grateful that was able to celebrate with the Panton family, Fallon family, and another AlMer Jamie Davis.

The School in Nago has been very busy as well! We have started getting ready for the school's Christmas program! It has been amazing to watch the students grow their skills over time in their studies so far.

If you would, please join me in prayer for both the church and the school's growth, it would be much appreciated.

Things like our Lady's tea in Nago have started to grow, and we are praying to keep that momentum moving forward. God is doing great things, and I can't wait to see what he does next in this wonderful nation!!
