Family Service: Learning to Trust in Jesus

We focused on the story of Peter having to trust Jesus to walk on the water. It was great to see parents and children engaged in the activities, bible story, lesson, action songs and more!

Family Service: Learning to Trust in Jesus

Parents had to help guide their child to Jesus while they had their eyes covered. They had to trust their parents even though they could not see. Just like how sometimes we have to trust God when we don't see the results.

Cleaning the Church & Celebrating Cassandra's 19th Birthday

There are behind the scene ministries such as cleaning the church which are equally as important as platform ministries. I am grateful that Cassandra is here to help the local church (La Comunidad de Fe) in San Jose. She has been teaching bible studies, preaching, teaching sunday school, running errands for the church and more!

Special Church Service at La Comunidad de Fe

The Palma family (full time missionaries to Uruguay) were able to minister and join us for service on October 26th. Bro Jake Palma preached a message about perseverance. After service, we had a great time of fellowship with the Palma Family and fellow church members.

Singing with the Worship Team and Hosting Special Events

Every mid week and Sunday service, I have been singing with the worship team. It is so exciting to have 2 church members join the worship team and want to use their talents to help others enter into the presence of the Lord.

This month we organised a special spring focused service and family service. We have had a great time of fellowship this month as a church.

Preaching and Teaching Bible Studies

I have continued to preach and teach bible studies at La Comunidad de Fe.

“The Armour of God”, “Lift Your Eyes to Jesus”, “Burn Bright, Don’t Burn Out”, “Trusting in God”, “Let Go and Let’s Grow”.

Dog Sitting for The Palma Family

The Palma family were able to attend General Conference this year in California. While they were away, I got the privilege of being able to dog sit their 2 dogs, Molly and Coco.

I was thankful to be able to join the services online this year and to watch the missionary parade where the Palma family represented Uruguay.

Running a 7km Race with Friends

I have continued to deepen connections with people from my gym and ran in another race. Praying that God will provide opportunities for me to witness to them about Jesus.
