## Happy Thanksgiving

November has come and gone! So grateful for all the Lord has done and is doing! Enjoyed Thanksgiving with friends and the missions family. I pray that every one has had a wonderful thanksgiving!

## Visiting Churches

Thankful for the wonderful opportunity to visit two daughter works with my supervising missionaries these last two months. Last month, God healed a lady during the service and she received a report from the doctors confirming it!

## PRAYER REQUESTS

For wisdom and favor as new connections continue to be made  
To be led to hungry hearts  
For boldness
