

November 2024

Sawubona kusukela eSwatini! (Hello from eSwatini!)

Our tenth month in Africa has come to a close. November was a busy month with the conclusion of Men's conference and the All Africa Leadership Conference, church services, Thanksgiving, couples fellowship meeting, and preparing the church for the upcoming Christmas season! We even managed to hike a mountain and see some animals in between our busy schedule!

The kids were so excited when the time came to start decorating for Christmas! It sure does feel strange to us to pose for a photo in front of a Christmas tree when it's over 100°F outside!

As we are soon coming to the end of our first year in missions, our current need is filling our schedule with places to preach when we return to the states as we travel and raise the funding needed to return to the field. Please keep us in prayer during this time of transition.

We want to thank you all for your prayers and support!
