

Pio's in Polynesia

NOVEMBER 2024

On November 3rd, we held our very first service at our new location.

We are beyond blessed and thank the Lord for this miracle in providing a place of worship. The owner has allowed us to use his restaurant on Sunday mornings, as it isn't open on Sundays. There is something special about seeing things transformed for a service and seeing people walking in off the streets. We are excited of what the Lord is doing, many people have been blessed and touched by the Lord's presence. After the service, we have a potluck, enjoying great food and fellowship! Continue to pray for us and all our contacts.

The blessings of the Lord! Throughout this month, we have been blessed with many fruits, meats, vegetables and other household goods! Our Lord provides!

It has been a wonderful three months and to see how the Lord is working on people's lives, supplying needs and providing a place of worship. It is amazing to be a part of His plan. There is much work to be done as we help to lay a foundation for the development of the church here in Tahiti. We took a drive around the island the other day and there are so many other towns and cities needing a church to be established.

Jesus is the answer for the world today!
