

# Mission Possible Newsletter

December started with the great news of a new Bible study group located about an hour and half outside of Prague! We had our normal Saturday Bible study in Prague and then headed to meet this new group of souls. We were able to teach the basics of the gospel this first night and make a connection that will bear fruit. The following weekend, we were asked to come back to teach the new group again!

Friday (12/6/24) was a day of sadness and joy, as Pastor Žumár's mother's funeral was that morning (Please pray for he & his family) and then we headed to the Bible study group. We spoke more on the importance of Who Jesus is and the importance of His Name and Blood.

Bible School was the next day (12/7/24) which was our final class for this semester, at least in Prague. The final Budapest classes were on Saturday (12/21/24) and I stayed over for Sunday as usual. It was a bittersweet feeling as this was not just the last class of the semester but also the last time I will see them for a long time.

It's been a Blessed year and I'm grateful for the privilege to have served the kingdom in Central Europe.

The December Filipino Service was also on 12/22/24 and there were 23 in church with 7 first time visitors! I was unable to be there as I was in Budapest. This mission field within the mission field is continuing to expand! God is moving in the Czech Republic! It's been such a privilege to serve these beautiful people.
