

November on AIM

Bucharest, Romania

The month of November was a quick one, following my three months in Moldova, I had the opportunity to spend one month in Romania! While here I worked under the Pattersons. I got to be involved in teaching Sunday School, where I was able to teach twice.

Alongside Sunday school duties I helped with their MKs a couple times each week I was there.

I also had the opportunity to go with the Patterson's to Braila, Romania where we got to visit a family from Venezuela and take a prayer walk through the city.

It was a fast month but ended on a high note. Despite me missing Thanksgiving in the States I was able to spend Thanksgiving with the Missions Team in Romania. I was able to see the McBrides again since they came from Moldova and I was able to spend time with the Covey's from Bulgaria. It was a sweet ending to my four months on the field!
