

Merry Christmas & Happy New Year!

HAPPY HOLIDAYS TO ALL!

“Happiness is having a large, loving, caring, close-knit family in another city.”
-Burns

We were so blessed to be able to spend time during these holidays with family.

In November, our Pastor, his family, and a group from our church came and spent some time ministering and visiting with us in Spain. What a blessing it was!

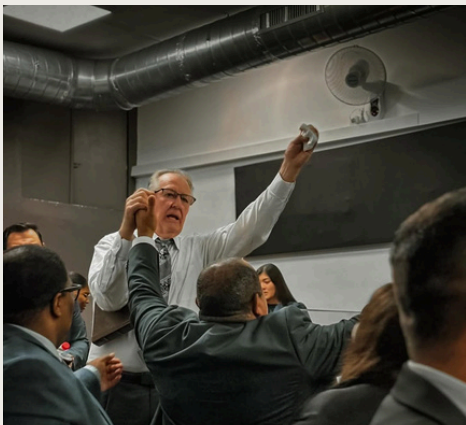

In Barcelona, we celebrated Thanksgiving together as a missions team. We are so very thankful for the missions team here who have been such a blessing to our family.

Lastly, we are so happy Camilla’s parents were able to visit us for a week after Christmas, going into the new year. Even though we are far from home, we have felt very loved this holiday season.

ALEXANDER

BJ and Camilla, along with their children Micah(3) and Mya(1), serve as Associates in Missions (AIM) in Barcelona, Spain. We currently work in the RKR Global Training Center which serves to train laborers to serve in the fields of their calling. Within the training center, we currently help with teaching, and various other duties as assigned by the directors, Dennis and Amy Uecker. In addition to this, we're currently involved in various other ministries locally including preaching, evangelism, and teaching.

We are working toward a career in Missions. After our AIM term, we plan to apply to become Associate Missionaries to continue our work here. If you would like to support us, we covet your prayers. If you would like to support financially, we ask that you would prayerfully consider.

MINISTRY MOMENTS

It has been a busy time here in Barcelona, and we are happy to be here and be a blessing to the work of the Kingdom. In these last 2 months, BJ was asked to minister 4 times at LPBCN and was invited to preach for Pastor Andres Mendoza at IPUE Barcelona. During these services there were 7 who were filled with the Holy Spirit for the first time, and 3 who were baptized in Jesus name. Glory to God!

Also, pictured to the far right is a major ministry milestone: BJ preached his first sermon in Spanish.
