

DECEMBER 2024

Brandon and Brianna Rutherford

One of our objectives this term is to develop a youth group in our local church. This will be the first apostolic youth group Tauranga has ever had! We had our first youth event this month where we discussed the importance of fellowship. We are excited to see what God does through this group!

For this year's Christmas outreach, we had church outside at Kulim park! There was food, games, worship, and a wonderful time of fellowship! We got to assist in the Sunday School children's presentation, during which they quoted Isaiah 9:6 and sang a song. They did a wonderful job and we could not be more proud!

We received a very warm welcome, and welcome back, to Apostolic Life Church. The work here in Tauranga is such a loving and kind church.

We are thankful to the Borders family for allowing us to work alongside them, and for everyone who has supported us. We ask that you continue to pray for this new youth group, for the church here in Tauranga, and for the nation of New Zealand. God is doing great things!
