### Praise the LORD & greetings from Okinawa!

Traditionally in Japan, Christmas is a time for couples. A time for young people to express their feelings for one another and spend time together.

Families will preorder KFC chicken to avoid the long wait and lines for special occasions. Yet, when they hear caroling, people will always listen and record.

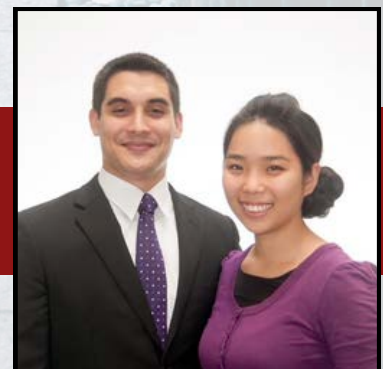

(Middle Picture) Our local church sang in a outlet mall with many spectators gathered together. We gave fliers and spoke with them. We have seen a great number of new visitors come out for the following service. Saints gave of their time to help outreach, wrap gifts, and prepare food. Thankful for the body of Christ coming together.

My wife and I have been beyond blessed from all the LORD has done in 2024. He has opened numerous doors throughout Japan, restored broken relationships, healed the sick, poured out His Spirit on the hopeless, and elevated our faith time and time again.

Truly there is nothing too hard for Jesus! We want to thank you for partnering with us this year to see Japan saved. Your sacrificial giving and much prayer for the Kingdom has helped greatly towards this End Time harvest. We hope you have a wonderful Christmas and blessed New Year from our family to yours. Thank you!

-Yours in Christ, Shawn & Yuka Ward

And she shall bring forth a son, and thou shalt call his name JESUS: for he shall save his people from their sins.
