AWAKENING

I pray your New Year has come off to a wonderful start! I am grateful for the opportunity to have been a part of a CMI conference in Wichita, Kansas called Awakening. Our Universities are truly one of the ripest fields there are and there is something so special about coming together with others with a burden and a passion to see God glorified in their schools. The services were powerful and life altering. Thankful that during this short time in the US, I also got the opportunity to see friends and family.

GLOBAL STUDENT MINISTRIES

The new semester has started and we are back at it again. So grateful for additional help from our new AIMer Hailey. We have started consistent evangelism at the University of Barcelona. The Lord has led us to a hungry heart and we have a bible study scheduled for next week. Thank you for all of your prayers.

I am also excited for the seminars and followed up training that we will be having in the coming months in Madrid, Greece, Italy, and Seville.

PRAYER REQUESTS

- That God would give us wisdom and favor
- To be led to hungry hearts
- For authority to see an apostolic breakthrough on our campuses
- For the apostolic young adults to see the potential harvest on their campuses

TRANSITIONS

After prayerful consideration, my supervising missionaries saw fit for me to transition to the International Church in Barcelona pastored by Pastor Manuel and Laura. My last service at Los Pentecostales de Barcelona was January 11th. To say serving at LPBCN was a blessing is an understatement. God continues to move and bless that wonderful church in miraculous ways. The renovations to the purchased catholic building continue and the Lord continues to add to the church consistently.

The International Church has seen consistent growth and God is doing wonderful things there. So grateful for the two that were baptized this past Sunday. I have been put to work immediately, ministering to the church during their midweek and having taught 3 life groups so far. I am excited to be stretched and serve wherever I can!
