

## God is doing great things in Paris!

It has been a busy few months! Bible studies are being taught, disciples are being made, and new visitors are attending services weekly at Paris Centre Church.

We started two great new teaching series in January -- The Fruit of the Spirit and Pray First. Our church committed to 21 days of devotion, and ended it strong this weekend with 1 receiving the Holy Ghost!

In October, we had our All Nations Sunday with Pastor Gøran Andreassen from Norway. 27 nations were represented, 150+ were in attendance, and over 17,000 euros was committed to missions!

# PCC Youth

God has been moving in the youth group of Paris Centre Church! They are growing closer to God and to one another. Each month, we meet for services, prayer meetings, and fellowship. There are new faces in attendance almost every time we have a gathering.

## French Youth Convention

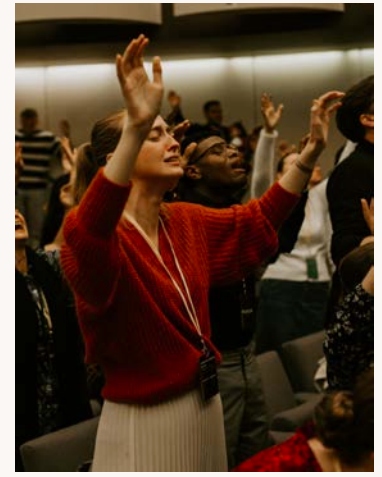

The French National Youth Convention was held in November. The Lord was there in such a mighty way! Lives were changed, callings were felt, and several received the Holy Ghost.

# Ruach

In November, The Rock Church in Brussels, Belgium held their annual Ruach Conference, a conference focused on mental and spiritual health. Healing & restoration took place and God moved in a special way.

This Sunday was Paris Centre Church's City Group Fair. We currently have 17 small groups meeting across our city!

PCC City Groups

These last few months have been full of divine encounters, one of which was that a childhood friend of mine from the US came to our church as she passed through. She was the very first person I ever taught a Bible study to, and she was refilled with the Holy Ghost here in Paris!

We have been prayer walking the streets of Paris and taking dominion over our city. Please pray with us for a great revival!

### **PRAYER REQUESTS:**

- For God to give our church a new building
- For new connections and Bible studies

## **MERCI!**

Thank you for your support and continued prayers. I am so grateful for my pastors at GraceLife Memphis, Bill & Stephany Parkey, and the great team here in Paris led by the Brochus and Carsons. We are in revival, and believing God for great things!
