Day Star Chapel

(Above) I have been invited to work alongside Chaplain Olivier at the Day Star Primary School for continued development in their Chapel services. I am loving my time at Day Star and working with the excellent teachers and leaders. The students are so hungry to hear the Word of God and respond to it! God has some incredible things in store for this year!

UPCR Sunday School

(Left) The Sunday School program is an incredible ministry here in Kigali! The children are like sponges soaking in everything that has been taught in class. They have been learning about the Holy Ghost and water baptism in Jesus' name. There are many students who will be baptized in February. I am excited to work with Sister Sportsman, Brother Joshua and Brother Esau in this ministry!
