Dios le bendiga (God bless you) from Spain!
I am glad to be back on the field in the beautiful country of Spain with missionaries Dennis and Amy Uecker. Over the past month, I have had the privilege to help with the process of the new dorms for the RKR program, work with Ministerios Universitarios Globales (MUG), and attend church services at a local church, LPBCN, here in Barcelona!

The new location in Gràcia is a testament to God's provision for the work here in Barcelona! The dorms have been a work in progress. It has been a great blessing to help clean and get these dorms ready for upcoming RKR team members.

I have been working with Bianca Baptiste here at the University of Barcelona to make connections with students and gather contacts for Bible studies. We start our first Bible study with a study abroad student in the near future!

I have been attending church services at LPBCN, a church here in Barcelona. Services have been packed with hungry people! There have been several baptisms and miracles that have taken place here. It is always such a sweet time in the powerful presence of the Lord.

I also had the privilege to testify for my first time in Spanish for a youth call for the youth of TDV Parla in Madrid!

Over the past few weeks, I have witnessed the hunger of the people of Spain; it is always blessing to witness! I have had the privilege to see the Hand of God at work in this amazing country for my second AIM term. God is doing amazing things. Continue to keep Spain in your prayers & thank you for your support! Revival is here!
