What a busy and fulfilling year for us at The Pentecostals of Dublin! As we celebrate over a year of pastoring here, we are filled with gratitude for the opportunity to serve in this vibrant community. We are certain that we are right where the Lord wants us, doing the work of His Kingdom and we wouldn't trade it for the world.

God is doing great things in Ireland! Over the past six months, we have welcomed 12 new regular attendees into our church family, and we were blessed to baptize one in Jesus' name. Our Sunday school department has more than doubled in 2024 and our mission to serve those in need has also expanded, with the launch of our homeless ministry.

In addition to our local efforts, I am honored to have been elected as the UPCGB&I National Music Director, my wife teaches Part-time at Harvest Bible College, and we continue to thrive in our various programs. Recently, we launched a weekly Tagalog home Bible study group, a Financial Peace course, and ladies' Bible study groups, all aimed at nurturing faith and discipleship.

We face challenges as well, however, we understand these are opportunities for us to grow and to bring God glory! Our weekly rent at the hotel conference room we use for Sunday services has more than doubled, but we trust that this is part of God's plan as we transition into a new season filled with powerful testimonies. Please help us pray for God's direction and provision in this urgent situation.

Thank you for your continued support and prayers as we embark on this journey together! If you'd like to partner with us and help support the mission in the Republic of Ireland, you can give through www.aim2go.org. (Donor Acct# 392689)
