I Corinthians 16:9

*Greetings in the name of Jesus!*

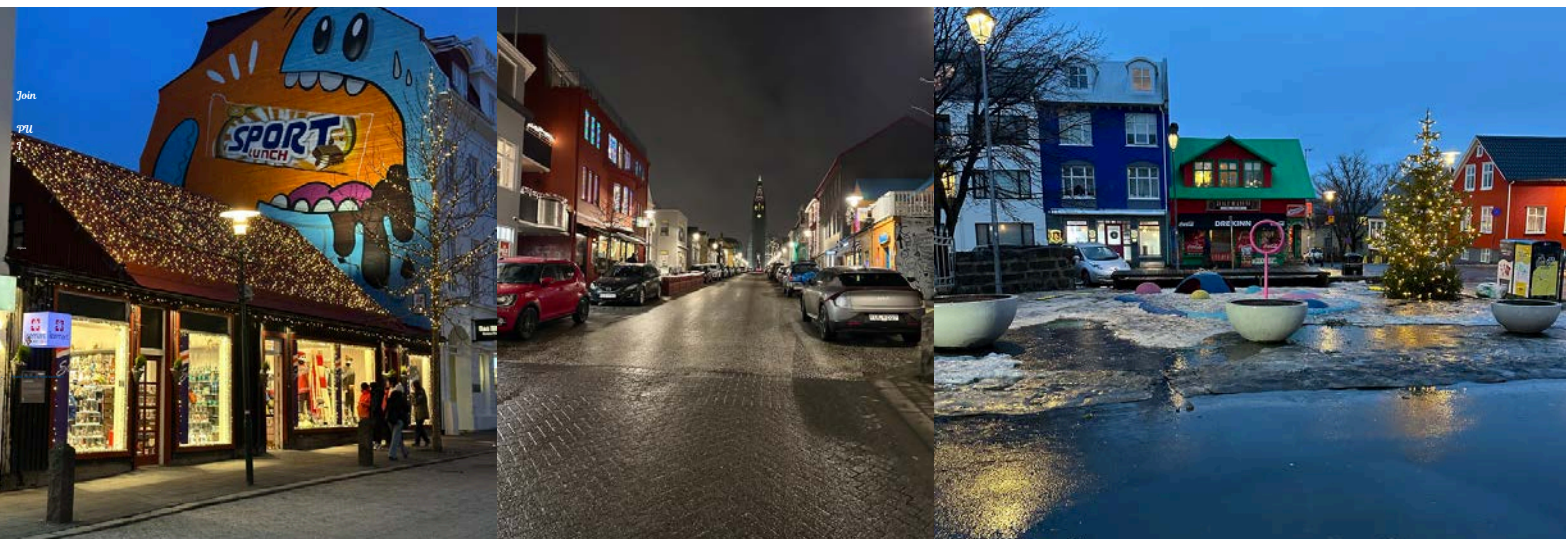

*I returned to Reykjavik, IS, the first part of January. The daylight has been sparse but each passing day brings more light (I am thankful.)*

*It has been a wonderful experience to see Iceland in the winter season. The weather goes from snow, to rain, and back to snow, and this can take place in just a matter of hours. The wind is a force to be reckoned with! I got to experience what they call a "Red Alert." The winds and rain basically shut down road and air travel. Many stores closed early and sent employees home for safety reasons. Thankfully, no one was hurt and after 24 hours the wind settled.*

*The wind of the Spirit is also actively at work and moving in Iceland. I am thankful for old contacts that I have been able to reconnect with, and new ones that were made by the Aimers that were here in my absence. There is a significant contact in the country that believes in the born again experience according to the book of Acts (and there are others.) Please pray for wisdom on how to navigate, nurture and help spread the gospel message across this country.*

*Join with us in praying for "the dry bones to come alive!"*

*"Also He said to me, Prophesy to the breath, prophesy, son of man, and say to the breath, "Thus says the Lord God; "Come from the four winds, O breath, and breathe on these slain, that they may live." "So I prophesied as He commanded me, and breath came into them, and they lived, and stood upon their feet, an exceedingly great army." Ezekiel 37: 9*

*THANK YOU, for coming along side me in this journey!*
