

Pio's in Polynesia

JANUARY 2025

Since our arrival last August, with your prayers and support, we started the first UPC church here in French Polynesia. Since then, God has supplied our needs and has given us a place of worship. We have also baptized one soul in Jesus' name! The Lord has opened many doors, and we have made quite a few contacts here, that we are actively working with. We have been abundantly blessed through the people here we have met and others over in North America. We are excited to continue to see the Lord opening new doors and opportunities to be a witness and see how He will make a change in people's lives!

New Year's started with a bang as fireworks could be seen in many places throughout the city. Lasting over an hour, it was quite spectacular!

Here we are enjoying some food and fellowship with some new friends, Alex, Anna and five-month-old, Natalia!

They celebrated Pastor Pio's birthday, by having a cake on Sunday, January 12th! It was a great time after the service and the cake was delicious! Thank you!

It was the rainy season here in January, and we couldn't go out for our walks everyday, but when we thought we could, we did, and we only got soaked once! We usually always end up at the outdoor Market place in downtown Papeete.

Our son, David, has joined a chess club and is doing very well. He's always looking for someone to challenge him!

We ordered a new sign and it finally arrived. We were then able to put it outside on the side of the road when we have our service on Sunday mornings!

Thank you Jesus!
