## UPCR Baptism

(Above and Right) The church is celebrating this month with 9 souls being baptized in Jesus' name on February 16th. We are so grateful for the work God is doing in our Sunday School classes; from the adults to the children. God is being glorified and lives are being changed! We are celebrating with each life transformed by the power and love of Jesus!

## UPCR Sunday School

Children's Sunday school has become such a meaningful time for me every Sunday. The children are dedicated to learning their memory verses in English and Kinyarwanda, learning about the story of the day, and seeking after God in our times of prayer. Lately we've been discussing the Holy Spirit and Water Baptism, and what it means to have a relationship with Jesus. They are so quick to take Jesus at His word!  
What great faith!
