Dios le bendiga (God bless you) from Spain! I am glad to be back on the field in the beautiful country of Spain with missionaries Dennis and Amy Uecker. Over the past month, we have been attending RKR training sessions, working with Ministerios Universitarios Globales (MUG), and I have been helping out at church services at a local church, LPBCN, here in Barcelona.

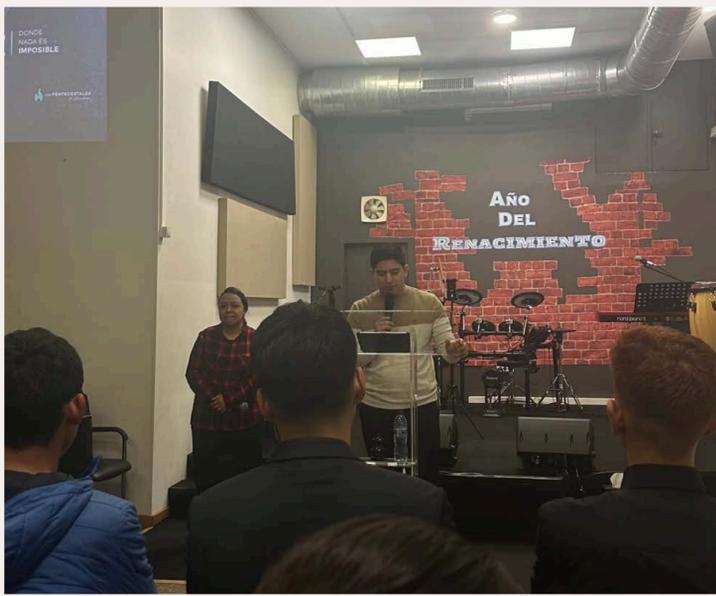

RKR sessions officially kicked off this month! We have had several training sessions with the RKR Team here in Barcelona; session topics have included spiritual warfare and operation in the gifts of the Spirit!

Hollie, another AIMer, and I had the privilege to accompany the Ueckers when they preached at another local church in Barcelona. There were several first time visitors!

At LPBCN, services have been packed; it always is a blessing to see people worship with such sincerity. While attending services at LPBCN, I have also had the privilege to help sing in youth service at LPBCN as well as help clean at the church.

We have continued campus ministry at the University of Barcelona; we have several events planned for the next few months to help gather more contacts as well as had a prayer walk on campus. Please be in prayer for the connections that we make!

During this second month on AIM, I have continued to see the hand of God move in incredible ways in this country. He is doing great things! Please continue praying for Spain, and thank you for your support. Revival is here!
