

THE NEED

Europe is so much more than just a vacation destination!

It is filled with so many unchurched, unreached nations and people. Souls are waiting to hear the gospel, but laborers are few.

THE VISION

STRATEGIC DISCIPLESHIP ACROSS EUROPE

Our vision for the Europe Region centers on strategic discipleship and training over the next five years.

This focus will develop newly licensed national ministers through training and discipleship, as well as actively recruiting new families and individuals through Short-Term Missions to help meet this goal.

49 COUNTRIES & TERRITORIES

Our GOAL:

Double the amount of licensed ministers, including Short-Term Missions associates and appointed missionaries, in the next five years.

THE REGION

The Europe region is massive!

It extends from the island nation of Iceland in the West to the Ural Mountains of Russia in the East, and from Svalbard Archipelago of Norway in the North to as far as the islands of Greece and Malta in the South.
