Feb. 2025

## WHAT'S NEW...

February was a very busy month. We had a staff meeting planning out 2025, with exciting things happening this year. We are believing for revival. A new AIMer arrived from Alaska, Braden Hobson. He was on the AYC trip last year. It is wonderful to see young people getting a burden for Japan and coming back!

Sound of Praise church had the first men's fellowship of the year; A great time of fellowship. Our Sunday School kids have been memorizing a new scripture every month and this month they quoted it in front of the church and sang an action song.

We are so excited that there were 3 filled with the Holy Ghost, 1 refilled and 1 baptism! We are believing for great revival and moves of God this year.

## PRAYER REQUESTS | PRAISE REPORTS

Please keep Naomi's mother in your prayers; she experienced a mini-stroke and was in hospital. We are thanking God that she is home and believing for a full recovery.

Please pray for Naomi as she had a gallbladder attack, she is scheduled for surgery next month here in Japan.

The school year ends in March, please keep the school end ceremony and the students in your prayers. Praying that the investment in their spiritual lives return great results.
