GREETINGS FROM BARCELONA!

We have officially entered the year 2025, and we are off to a strong start. The theme for this year is Restoration, beginning with the church and training center situated in the vibrant and traditional neighborhood of Gracia in Barcelona.

Although significant construction has already taken place, there is still more work ahead. However, this has not and will not hinder the church and the Lord from moving forward. Even in the midst of the construction, every lesson and sermon has been taught and preached with liberty!

Psalm 51:12 NKJV

“Restore to me the joy of Your salvation, And uphold me by Your generous Spirit.”

A YEAR OF RESTORATION!

During this month, the RKR team has dedicated time to ready the building for the incoming AIMer's and it was truly inspiring to see how the center came together! Additionally, the church of LPBCN began the year with the honorary first-fruits services in the Gracia location. Despite the unfinished work and the ongoing renovations, the Lord moved and the vision the Lord has given to the leadership was received by the church as a whole.

The church is moving forward and we are all eager to see what the Lord has yet to do!

“TO EVERY NATION, TRIBE, TONGUE, AND PEOPLE”

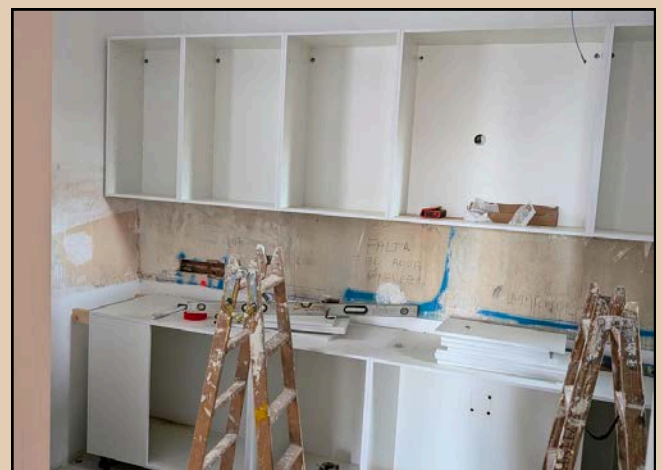

PREACHING AND TEACHING ONE TO ANOTHER!

I was deeply honored to have the opportunity to share the Word of the Lord with the LPBCN church. This particular service held special significance as it represented the inaugural family-focused service of the year. It was truly a humbling experience to be invited to commence the year in such a meaningful manner.

Additionally, I was asked to assist in teaching the discipleship class "Multiplicar," which took place in the building of Gracia. This month also provided me with the opportunity to travel to another country, where I was blessed by the wonderful team at that location.

PRAYER POINTS

- Pray for the souls in Gracia that as they see the church's project come to completion that their hearts and minds would be ready to receive the Gospel of Jesus Christ!
- Let us pray for restoration in the works around the word and in each one of us that we would be restored in such a way that we become more like Him and less like us so that we may be able to serve Him more effectively.
