### MISSION REPORT OVERVIEW

#### OVERVIEW LESOTHO:

1 PERSON BAPTIZED IN JESUS' NAME

#### MASERU

God is on our side. We are so thankful for what He is doing at UPC Maseru. The people are growing in the knowledge of God's word. They are more active in worship. We are seeing the changes that God is doing in the lives of His people.

We had one you lady who came from an invitation from one of our faithful saints of God. She would arrive at church long before others would arrive and help set up the venue. She even got down on her hands and knees to wash the floors. Her hunger for God was evident.

We baptized her in Jesus' Name. She almost got the Holy Ghost. We are confident she will speak in a new tongue soon.

#### THANKFUL
