

# FEBRUARY 2025

*Brandon and Brianna Rutherford*

We had a Sunday School outing this month at McLaren Falls! The kids had a blast petting animals, seeing the beautiful waterfall, and learning more about God's creation! After this event we had a record Sunday school attendance of 12!

The ladies of Apostolic Life Church made flower arrangements and gave them to nurses at the local hospital. As well as showing our appreciation for their hard work, this opened doors for us to tell them about God and the work here in Tauranga.

We had two baptisms this month and a record church attendance of 42! God is doing amazing things here in Tauranga!

We ask for continued prayer over this work and over the nation of New Zealand as a whole. Thank you for your support!
