# February 2025

Spanish language - Service:

God is doing great things in our Spanish community. Our goal is to begin Discipleship classes in the month of March to discuss the DNA of our Church, What we believe? Who Jesus is? Why we baptized in Jesus Name? Why we speak in tongues?. Our vision is that every person that comes to our Church knows what we believe. We have people coming from different backgrounds and religions.

## Home Church in Glasgow

### New Life Church:

We continue working hard for God's Kingdom. We had the privilege to baptized 3 people in Jesus Name. Pastor Beek and Pastor Zack are meeting with every leader to go over their job descriptions. We are planning a Minister's wives and women in Ministry Conference, Non Fiction happening in the month of March. This will be host in our Church and 48 ladies for different parts of Europe and America are coming.
