

God's Heartbeat Reaching Souls in Cyprus

Prayer, Connection, Teamwork and Transition

Connections are a vital key to reaching souls in Cyprus, each representing a life ready to be transformed by the power of Jesus.

With the Cornejo's arrival in Cyprus as furlough replacements for the Summers, God is blessing our unified efforts as a team to profoundly impact every connection. Together, we are witnessing lives changed and souls saved through the life-giving power of Jesus Christ.

Prayer Needs

- Spiritual growth within the lives of those who have received the Holy Spirit and baptized in Jesus Name this month
- Spiritual blindness upon the Cypriot people to be removed
- The need is great! Pray for labourers to join with us to reach 1.3 million souls
- Doors are opening amongst the church body with opportunities for them to reach people in the cities they reside in throughout Cyprus. Pray for wisdom and the Word to find good ground that will change lives.
- Strongholds of tradition to be broken and cast out.
- An outpouring of the Holy Spirit and Jesus Name baptism in those attending service yet not filled.

God's Heartbeat

Reaching Souls in Cyprus

With God at the center, TEAMWORK results in souls being saved...

Along with ministry opportunities and continuing to teach each week at the Pentecostals of Cyrus, I also had the privilege of strengthening friendships with Cypriot friends of the Summers. These friendships led to me becoming acquainted with others, joining a group weekly for their Word and Worship fellowship. The doors opened, providing the opportunity to share scripture and lead in worship. Through this, I invited Dietrich and his family of five, along with a young couple, Kyriagos and Donna, to a Sunday service at the Pentecostals of Cyprus.

Teamwork meant bringing the Cornejo family into that circle of connection. Friendships are being fostered so that we can continue working with God to see lives changed. We were thrilled that Dietrich, his family, Kyriagos, and Donna attended the service, further strengthening our growing connections and Bible study outside the church.

One of the greatest moments was on Sunday, March 30, 2025, when Kyriagos and Donna were baptized in Jesus' Name, with Donna receiving the Holy Spirit! Even more exciting, Donna brought a friend who received the Holy Spirit!

Bro. Stephan and Sis. Debra Summers, our missionaries, have faithfully sown seeds—praying, fasting, and laying the groundwork through teaching and preaching. Now, God is bringing forth another harvest of souls!

It is one of life's greatest privileges and joys to be part of Team Cyprus, working alongside the Summers and Cornejo's to see lives transformed through the revelation of Oneness, the necessity of being filled with the Holy Spirit, and the importance of baptism in Jesus' Name.

Reaching Souls in Cyprus

Covering Cyprus through Prayer Walks...

During March, many days were spent traveling to villages and cities. Through prayer, the promise of Joshua 1:3 "Every place that the sole of your foot tread upon I have given you.." was proclaimed over each home and business passed. We believe that God is preparing the hearts and minds of people in Cyprus for an Apostolic move of God!

AIMER Sis. Kathryn Ansley
My current AIM term has come to an end and I am now heading home. Deep transformation has taken place within my life as result of being in Cyprus. I will be forever thankful for the impact of mentorship, guidance and ministry opportunities given by the Summers, friendships of the people and the living in the culture during my time here. Pray for a smooth adjustment to my North American home, further direction, and finances as I prepare to return to Cyprus in early 2026.

Transitions... prayer is essential for each of these

Our missionaries, Bro. Stephan & Sis. Debra Summers transitioned into their deputation travels within North America mid March. Pray for protection as they travel; supplying of the finances needed to return to Cyprus in a timely manner and for anointing as they minister.

AIMER Bro. Jesse & Sis. Alexis Cornejo, along with their three children are now in Cyprus to cover as furlough replacements. Pray for a seamless period of adjustment,, sufficient funding, VISA approval and doors to continue to open up for them to reach souls and minister to the body of Christ in Cyprus.
