

# MARCH NEWSLETTER

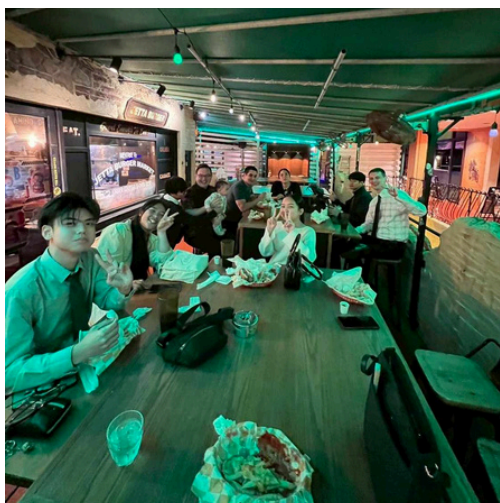

First off I want to say a big thank you to all of you that have been praying for and donating towards our trip to NAYC. God has been opening door after door in regards to this trip and you've all helped raise nearly \$11,000! We 100% could not do this without your love and support and we're eternally grateful towards all of you.

But continue to keep us in your prayers as things move forward. Pray that nothing rises up to try and prevent the trip, whether it's sickness, injury, or any type of opposition from family members, etc. I know God wants this trip to happen, so we expect there to be some resistance along the way in one form or another, just pray for a hedge of protection around us, and for blessings and favor.

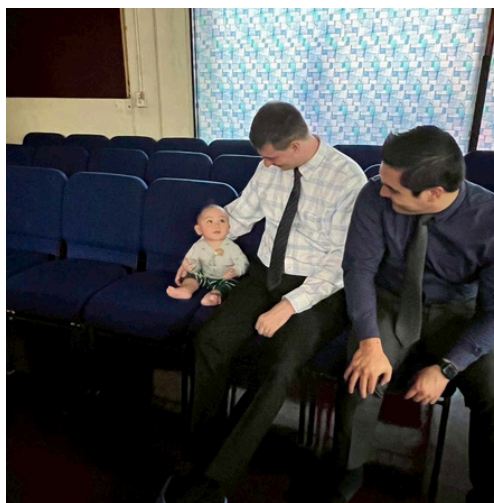

During the month of March, we had two people make the decision to get baptized!

This month was also a time of a lot of repairs, cleanup, and maintenance on the church building. We redid the entire library area, getting newer and nicer bookshelves. We rearranged the office, as well as my room, and the other AIMER quarters. We also cleaned up our area with the tools and storage, as well as an area near our Sunday School room that had morphed into a storage/dumping ground. We touched up the front garden area pulling away broken fencing and removing trash. And we rewaxed the floors in the sanctuary.

This was also the last month that the Harris' were with us. I'm sure they will continue visiting us in the future, but they are now moving to Cambodia to have an established missionary on the ground in that country. The picture above was a photo we all secretly took together to frame for them.

A group of us went out to eat and enjoyed a time of fellowship after our monthly youth service.

Bro. Shawn and Sis. Yuka Ward's son. For some reason most of the babies at the church love staring at me or being held by me.

One of the two baptisms from this month. This Japanese lady had recently received the holy ghost while attending a small group.
