EGC Osaka, Japan March 15th

WHAT'S NEW...

March was a very busy month here in Japan. The Executive Global Council UPCI was held in Osaka the 17th-21st. Caleb had the opportunity to support this great event through his technical experience.

April is also the year-end for the Japanese school year. So, while Caleb was away the boys had their year-end ceremony. We are so proud of our boys, who both made honor roll this year!

We also said farewell to Missionary-Evangelists Bro and Sis Harris, who have been here in Okinawa for the past 2½ years. They are moving to Cambodia, a country with a great need for missionaries. The Harris have been extremely impactful to us from the moment we landed here in Japan. They hosted us for over a month when we first arrived and were looking for housing. We will forever be grateful for their kindness and ministry. Bro Harris preached the last Sunday of this month; there was a great move of God and one woman was baptized!

PRAYER REQUESTS | PRAISE REPORTS

In April we will be hosting the JUPC Southern Region Conference here in Okinawa. We are praying and expecting a great move of God. We are thrilled to have fellow Canadians, Bro and Sis Hanscom here for conference as well as Easter the following weekend!
