MISSION REPORT OVERVIEW

OVERVIEW LESOTHO:

BIBLE SCHOOL BUILDING PROJECT STARTED

MASERU

We've launched the Bible School project and are excited to have Reverend and Sister Long with us in Lesotho. Former missionaries to Botswana and Zimbabwe, they'll be here for about two months, helping with the construction—starting with the perimeter wall and laying the foundation.

Please pray for favor with local businesses and government officials. Pray for the safety of all the workers, for open doors to share the gospel in

this community, and for good weather. We've been seeing more rain than usual.

THANKFUL

Your support plays a **vital role** in advancing God's kingdom here in Lesotho. We deeply appreciate your pledge and ongoing commitment!

May God bless you abundantly, strengthen you, and grant you favour in every area of your life. May He continue to meet all your needs according to His glorious riches and fill your heart with peace in Jesus' Name!
